

Directions to Bowie Wrestling Room:

The wrestling room is located on the west side of the inner courtyard. There is one small door into the room that is unmarked, unlit, and has no window. ☹️

The closest entrance is through the courtyard gate behind the school. It works great for arriving at practice. HOWEVER, this will normally be locked before practice is over. If you are picking-up after practice, the only SURE way to get in is through the Front/Office entrance.
